ARTICLE 1 – PURPOSE

- 1.01** The purpose of the Agreement is to establish and maintain an orderly Collective Bargaining relationship between the Company and its employees, to set forth all Agreements by the parties hereto, and to provide an amicable method of settling any differences that may arise in the interpretation, application, administration, or alleged violation of the Agreement.

ARTICLE 2 – SCOPE AND RECOGNITION

- 2.01** The Company recognizes the Union as the Bargaining Agent for all employees engaged in the security screening of passengers and baggage at the Vancouver International Airport in British Columbia, including permanent Point Leads (formerly Supervisors), but excluding Service Delivery Managers and those above.

Point Leads can, when and where necessitated, provide screening services. Not expected as a normal recurring part of the position but in the event of “no shows” or excessive passenger volume, Point Leads can screen.

Please note that the negotiated pay scale, benefits and language, are for employees covered under this Collective Agreement. Any other work awarded at the Vancouver International Airport will fall under the scope of a separate Collective Bargaining Agreement, unless otherwise mutually agreed between the parties.

- 2.02** The word “employee” or “employees” wherever used in the Agreement shall mean respectively an employee or employees in the Bargaining Unit described in Article 2.01.
- 2.03** Unless otherwise stated, the word “day” or “days” wherever used herein, shall be deemed not to include Saturdays, Sundays and paid holidays observed by the Company.
- 2.04** For the purpose of interpreting the Agreement, the masculine gender, wherever used herein, shall mean and include the feminine gender.

ARTICLE 3 – UNION SECURITY

- 3.01** Membership in the Union shall be available to any employee eligible under the Constitution of the Union on payment of initiation or reinstatement fees uniformly required of all other such applicants by the Union Local. Membership shall not be denied for reasons of race, national origin, colour or religion.
- 3.02** All employees covered by this Agreement must become Members of and maintain Membership in good standing in the Union as a condition of employment. They shall maintain Membership as a continuing condition of employment. The potential employee must fill out a Union application form and pay any fees associated with it.
- 3.03** Upon written authorization from each employee, the Company shall deduct Union dues from the earnings of each employee bi-weekly, which shall

be paid to the Union not later than the tenth (10th) day of the following month in which they are deducted. The deduction will be stated on one line as "Union dues".

3.04 Union dues for all employees shall be per Local Lodge 16 Bylaws. The Company will be notified, in writing, of changes to the dues structure, if any.

3.05 The Union agrees to indemnify and hold the Company harmless against any claims, lawsuits, or charges brought against it by an employee as a result of the application of Article 3.

ARTICLE 4 – MANAGEMENT RIGHTS

4.01 The Union acknowledges that all management rights and prerogatives are vested exclusively with the Company except as specifically limited by the provisions of the Agreement and, without limiting the generality of the foregoing it is the exclusive function of the Company:

- (a) to maintain order, discipline, efficiency and in connection therewith to establish and enforce reasonable rules and regulations; and,
- (b) to hire, transfer, layoff, recall, promote, demote, retire, classify, assign duties, dismiss, suspend or otherwise discipline employees, provided that a claim that an employee who has acquired seniority has been dismissed or otherwise disciplined without just cause may be the subject of a

grievance under Article 6 of the Agreement;
and,

(c) to determine, the method of operation; the amount of supervision; the schedules of work; the rotation of shifts; the hours and days of work and the number of employees required at any time; and,

(d) The Company and the Union agree to be reasonable and fair in the administration and operation of the Collective Agreement.

4.02 (a) The waiver of any of the provisions of this Agreement, or the breach of any of its provisions by any of the parties, shall not constitute a precedent for any further breach.

(b) It is understood and agreed that all previous Agreements, whether oral or written, by and between the Company and the Union are superseded by this Agreement.

4.03 Discipline may be issued only by Service Delivery Managers and those above with supporting documentation from Supervisors.

ARTICLE 5 – UNION REPRESENTATION

5.01 The Company agrees to recognize the following Committees of the Union to represent the employees for the purposes described herein:

(a) A Negotiating Committee comprised of five (5) Members and the Chief Shop Steward, selected by the Union to act on behalf of the

Union in negotiating a Collective Agreement, or renewal thereof, with the Company, will be compensated by the Company for Direct Negotiations. As employees increase, the Committee should be comprised of one (1) representative for every fifty (50) employees.

- (b) A Shop Committee comprised of the Chief Shop Steward and a Shop Committee Member and a Grievance Committee comprised of one (1) Steward for each fifteen (15) employees.
- (c) An Industrial Relations Committee comprised of a minimum of five (5) Shop Stewards and a maximum of seven (7) Shop Stewards (elected by the Shop Steward Group) to meet at a minimum of once a month (or more often as needed by mutual agreement) with Management representatives in order to address matters of concern regarding the Union Membership and day-to-day operations at the site.
- (d) The Union representative shall be permitted to meet with potential Union Members for a minimum of two (2) hours per training class or as needed.

5.02 The Members of the Negotiating, Grievance, Health and Safety and Industrial Relations Committees shall be employees who have completed at least two (2) years service as outlined in Local Lodge 16 Bylaws or by Union discretion.

- 5.03** The Union shall notify the Company in writing of the names of the employees who are Members of the Negotiating, Grievance and Industrial Relations Committee and the Company shall not be required to recognize them until so notified.
- 5.04** The Union acknowledges that each Member of the Grievance Committee has regular work to perform and that he shall only absent himself from such work with the permission of the Management and, upon resuming his regular duties, he shall again report to the Manager. Each Member of the Grievance Committee shall not lose pay for time spent during his regular scheduled working hours performing the functions set out in Article 5.01(b).
- A Union Grievance Committee represented by a Member of the Shop Committee and two (2) other Members as set out in Article 5.01(b) will meet with the Company to deal with grievances on a regular bi-weekly basis or as otherwise mutually agreed.
- 5.05** Every effort shall be made to schedule all meetings between Company representatives and representatives of the Union between the hours of 0800 - 1600, or as otherwise mutually agreed, without loss of time to representatives of the Union.
- 5.06** An employee will be entitled to have a Shop Steward present when being presented with any discipline that will be noted in his file or in any

meeting that the employee may reasonably believe could lead to disciplinary action.

Prior to any disciplinary action being taken by the Company, the employee will have the opportunity to have his case presented at a meeting. The employee and the Shop Steward will be advised in advance as to the nature of the matter giving rise to the meeting.

Nothing in this Article shall be construed to prevent the Company from removing an employee from the workplace with pay, pending an investigation and meeting. Notice of such removal shall be given to the affected employee, in the presence of a Shop Steward.

Every effort will be made to present discipline during the employee's regularly scheduled shift and within three (3) days of the incidents giving rise to the discipline. All discipline shall be presented in private and out of public view. A Shop Steward who is present when any Member is presented with discipline will be provided reasonable time to counsel the Member, investigate and file a grievance as required, without loss of pay.

(a) It is hereby also agreed that all forms of discipline from an employee's file will be removed after twelve (12) months.

5.07 The Chief Shop Steward and Shop Committee Representative, referenced in Clause 5.01(b) will be full-time positions. They shall be employed on day shift Monday to Friday, or as mutually

agreed, in order that they will be able to discuss Union matters with both the Membership and Management. The particulars will be covered in Letter of Agreement #5.

In accordance with this Clause, when a full-time Union representative returns to employment as a designated Screening Officer, following any term of office within the Union, there shall be no adverse effect resulting from any effect or loss of certification, including but not limited to seniority, scheduling, compensation, etc. The employee shall be required to recertify in accordance with CATSA National Training Certification Program and will be afforded not less than two (2) attempts at recertification.

ARTICLE 6 - GRIEVANCE PROCEDURE

- 6.01** The Company and the Union agree that it is the purpose of the grievance procedure to amicably and justly settle any complaints and disagreements concerning the employees, the Union and the Company, without, so far as is possible, resorting to arbitration. The parties further agree that the settlement of any grievance shall be deemed not to conflict with the provisions of the Agreement.
- 6.02** It is the mutual desire of the parties that complaints of employees shall be dealt with as quickly as possible, out of the view of the public eye, with a Union Steward present. Furthermore, it is agreed that an employee has no grievance until he has first given the Supervisor the

opportunity to deal informally with his complaint. The employee will be provided time during his regularly scheduled hours to meet with his Shop Steward and with the Supervisor/SDM to discuss the complaint, without wage loss.

- 6.03** Should any difference arise between the Company and any of the employees as to the interpretation, application, administration or alleged violation of the provisions of the Agreement that cannot be satisfactorily dealt with pursuant to Article 6.02, an earnest effort shall be made to settle such difference in the following manner:

STEP ONE

- 6.04** Within ten (10) business days after the alleged grievance has arisen, the employee, who may request the assistance of his Steward, shall present his grievance in writing, on a form agreed upon by the Company and the Union, to the Management and if, within ten (10) days from the time when such grievance was presented, a decision not satisfactory to the employee is given, then:

STEP TWO

- 6.05** Within five (5) days after the decision of Step One has been, or should have been given, an authorized Member of the Grievance Committee shall present the written grievance to the Operations Manager, or a person or persons designated by him to handle such matters at Step Two. The Operations Manager, or his

designate, shall schedule a meeting to be held within ten (10) days from the time when such grievance was presented to him, or his designate. At the Step Two meeting, the Operations Manager, or his designate, may be accompanied by the Personnel Manager and such other assistants, as he so desires. While the Business Representative of the Union may be present at the meeting, the Company has the right to require his presence at the meeting. The Operations Manager, or his designate, shall give a decision in writing on behalf of the Company within ten (10) days immediately following the date of such meeting.

GENERAL PROVISIONS

- 6.06** In the event that two (2) or more employees have grievances relating to the interpretation, application, administration or alleged violation of the provisions of the Agreement which are sufficiently common in nature that they may be conveniently dealt with together, such grievances shall constitute a Group grievance and it shall be presented at Step Two.
- 6.07** Any grievance which arises directly between the Company and the Union concerning the interpretation, application, administration or alleged violation of the provisions of the Agreement, may be submitted by either of the parties to the other. Notice of the grievance shall be given in writing within ten (10) days of the

occurrence of the matter giving rise to the grievance. The Operations Manager, or his designate, shall schedule a meeting between the Grievance Committee plus the Business Representative and the Company representatives designated for that purpose, to be held within twenty (20) days after notice has been given by either of the parties to the other. The decision of the party being grieved against shall be given in writing within fifteen (15) days following the date of such meeting. If no settlement is reached, the grievance will be referred to arbitration in accordance with the provisions of Article 7 of the Agreement.

- 6.08** The Company will, notify the Union in writing of the names of the Company representatives and designated alternates appointed for purposes of the grievance procedure February 1st of each year, or more if needed.
- 6.09** Each step to be taken under the grievance procedure and any reference to arbitration shall be taken within the time limits set forth in Article 6 or Article 7 or the matter shall be deemed to have been abandoned, unless time limits have been extended by mutual agreement. A Step is deemed to have been taken when notice is given by the party who filed the grievance.
- 6.10** Any and all the time limits set forth in Article 6 or Article 7 for the taking of action by either party or by an employee may be extended at any time by mutual agreement of the parties in writing.

DISCIPLINE, DISMISSAL AND SUSPENSION

- 6.11** If the Company determines that an employee is to be dismissed or suspended, it shall notify in writing both the employee concerned and a Member of the appropriate Grievance Committee.
- 6.12** The Company agrees that after a grievance has been initiated by the Union, the Company's representative will not enter into any discussions, or negotiations, with respect to the grievance, either directly or indirectly with the aggrieved employee without consent of the Union representative.
- 6.13** If an employee, who has acquired seniority, believes that he has been dismissed or suspended without cause, the grievance shall be represented at Step Two within five (5) days after notice has been given to the employee and the Chief Steward. If a suspension is grieved, the Company may elect not to put the suspension into effect until the grievance is settled, abandoned or determined by reference to arbitration.
- 6.14** If an employee is dismissed, such dismissal will take effect immediately upon the employee receiving notice thereof.

ARTICLE 7 – ARBITRATION

- 7.01** In the event that any grievance concerning the interpretation, application, administration or alleged violation of the Agreement shall not have

been satisfactorily settled under the provisions of Article 6, the matter may then be referred to arbitration by Notice in Writing by one party to the other within ten (10) days from the decision of the Company under Article 6.05, or Article 6.07 or of the Union under Article 6.07. The Notice shall contain a copy of the grievance, the remedy sought and the name, address and phone number of the Arbitrator provided below:

- Ron Keras
- Judi Korbin
- Wayne Moore
- Vince Ready
- Chris Sullivan
- Colin Taylor

7.02 The recipient of the written notice, referred to in Article 7.01, shall confirm receipt of such notice in writing to the other party within ten (10) days after notice has been given. Where the next person named on the list is unable to hear the matter within thirty (30) calendar days, or such other times as the parties may agree, the next person will be selected and so on.

7.03 Subject to Article 6.06, each grievance submitted to arbitration shall be heard separately, unless otherwise mutually agreed.

7.04 The issue(s) raised in the written grievance shall be presented to the Arbitrator and his award shall be confined to such issue(s). The findings of the Arbitrator as to the facts and as to the interpretation, application, administration or

alleged violation of the provisions of the Agreement shall be conclusive and binding on all parties concerned, but in no case shall the Arbitrator be authorized to alter, modify or amend any part of the Agreement.

- 7.05** If it is decided by the Arbitrator that an employee has been discharged or suspended without just cause, the Company will reinstate the employee without loss of seniority and pay, limited to the regular scheduled hours the employee would have worked less any amounts earned from new employment during that period, or will put into effect any lesser settlement agreed to by the parties or determined by the Arbitrator.
- 7.06** Any grievance involving the interpretation, application, administration or alleged violation of the Agreement, which has been disposed of under the provisions of Article 7, shall not be made the subject of another grievance.
- 7.07** The Company and the Union shall share equally the expenses of the Arbitrator. The costs and allowances to be paid to witnesses shall be paid by the party calling such witness. No costs of arbitration shall be awarded to or against either party.

ARTICLE 8 – NO STRIKE – NO LOCKOUT

- 8.01** In view of the orderly procedure herein set forth for settling differences and grievances, the Union and the employees agree that there shall be no strike, stoppage, slowdown or restriction of work

or service, or threat thereof, during the term of the Agreement and that no employee shall take part in, instigate or threaten any such strike, stoppage, slowdown or restriction of work or service. However, it is understood that District Lodge 140 has a policy that reads: *“Work normally performed by a Member of District Lodge 140 deemed to be struck work as a result of an authorized strike under the Machinists’ Union Constitution will not be done by another Member of District Lodge 140.”*

8.02 On the other hand and for the same reason, the Company agrees that there shall be no lockout during the term of Agreement.

ARTICLE 9 – SENIORITY

9.01 The seniority of an employee means the length of his continuous service with the Company since the date of his last hiring by the Company, i.e. day and time of first hour of paid work.

Same Day Hiring

The seniority of employees hired on the same day (relative to the other employees hired on the same day) will be determined by a numbers draw. There will be double the numbers from which to draw as there are employees drawing. The highest number will be the most senior, etc. This draw will be done right after hiring during training with all involved employees present. The Union will be responsible for administering the draw and providing the Company with a copy of the results. If the Union cannot be present, the

Union will appoint a designate to conduct the draw. Union Membership applications will be given out as part of the hiring package. Article 5.01 (d) will apply.

9.02 There will be three (3) seniority lists based on date of hire. Those lists are:

- (a) Company Service List composed of all employees;
- (b) Point Lead Seniority List composed of employees in the classification of Permanent Point Lead;
- (c) Screener Seniority List composed of employees in the classification of Screener Officer.

The Company Service List will be used to determine entitlements to vacation and pay grade.

The Point Lead Seniority List and the Screener Seniority List will be used to determine the rights of employees in connection with other seniority based rights under the Collective Agreement, including but not limited to layoff, recall, shift preference and overtime.

Persons on one seniority list do not accrue seniority on another list when they are working in an acting capacity.

In the event of layoff, seniority on the Point Lead Seniority List cannot be used to displace employees in other classifications who are hired prior to the date of the CIRB (Canadian Industrial

Relations Board) order which is November 27, 2008.

9.03 The seniority of an employee shall be completely lost and his employment shall automatically be terminated if he:

- (a) quits; or
- (b) is discharged and not reinstated in accordance with the provisions of the Agreement; or,
- (c) is absent from work for three (3) or more consecutive days without notifying the Supervisor unless he gives a reason satisfactorily to the Supervisor for his failure to so notify the Company; or,
- (d) is laid off for a period in excess of twelve (12) months; or,
- (e) fails to notify the Management of his intention to return to work within seven (7) days of being given Notice of Recall under Article 11.02 or fails to return to work on the date of recall as set out in the Notice of Recall; or,
- (f) works for another employer while absent from his employment with the Company except while on layoff, except when employees are on vacation or days off; or,
- (g) uses an authorized Leave of Absence for a purpose other than that for which the Leave was granted; or,
- (h) fails to return to work upon the expiration of an authorized Leave of Absence or vacation unless a reason satisfactory to Management is given; or,

- (i) fails to qualify for the appropriate Canadian Air Transport Security Authority certification and/or Transport Canada designation, i.e. all routes will be expired before termination of seniority.

9.04 Within thirty (30) days after the signing of this Agreement, the Company shall post the location seniority lists showing the seniority of each employee.

9.05 The Company will provide the Union with the current seniority lists showing each employee's seniority date, current address, classification and rate of pay, on June 30th of each year. An employee shall have thirty (30) days to challenge the applicable seniority list with respect to his seniority. Thereafter, the seniority date of each employee shall be deemed to be conclusive.

ARTICLE 10 – PROBATIONARY EMPLOYEES

10.01 Notwithstanding anything in the Agreement, a person shall be considered to be a probationary employee and he shall have no seniority until he has been employed for ninety (90) consecutive calendar days after first (1st) hour worked, at which time he shall become entitled to seniority dated from his last hiring with the Company. The Company shall have the right to dismiss a probationary employee for just cause.

ARTICLE 11 – REDUCTION IN FORCE

11.01 Should cause such as a fire, flood, explosion, Act of God, or any unforeseeable work stoppage by employees of an airline served by the Company, or circumstances beyond the control of the Company make it necessary to reduce the working force, the employees affected thereby shall be laid-off according to seniority with twenty-four (24) hours notice from the commencement of the work stoppage providing that seniority shall apply during such lay-off. In the event of a partial resumption of operations, the employees affected shall be recalled by seniority.

11.02 Lay-off and Recalls

The Company has the right to lay-off employees to the extent it determines to be necessary. In the event of a lay-off, the Company shall lay-off in reverse order of seniority. The onus shall be on the Company to establish that the senior employee has insufficient ability to perform the work required, and if proven, the Company will train the most senior person to perform the work required.

The Company agrees to meet the Union in the event of a lay-off to discuss displacement rights.

Recalls from such lay-offs shall be in order of seniority.

In the event of major operation changes, the parties agree to meet and review the status of

full-time and part-time positions prior to any lay-off.

An employee who has been laid-off shall be listed according to seniority after the date of lay-off and remain on the seniority list for recall for a maximum of twelve (12) months. If not recalled to work during that time, his name shall be removed from the seniority list.

- 11.03** The Company shall notify the Union as soon as possible prior to any lay-off. All employees shall receive at least fourteen (14) days notice of any lay-off, except in the case of lay-off as defined in Article 11.01.
- 11.04** Recall shall be by Registered Mail to the address last filed by the employee with the Company, or by personal interview. The Union shall receive a copy of each Letter of Recall and notification of each recall made by personal interview. A previous employee with seniority must keep the Company informed of any change of address by Registered Mail.
- 11.05** If within seven (7) calendar days after the date of receipt of Notice of Recall an employee shall have failed to notify the Company that he intends to return to work or to have satisfied the Company that he is unable to return because of accident or illness or other sufficient cause, he shall lose all seniority and his name shall be removed from the seniority list.

ARTICLE 12 – TRANSFERS

12.01 If an Agent is required to work as an Acting Point Leader at the request of Management, they must receive a premium pay. The Acting Point Leader must be a scheduled worker from the same point as the vacant Point Leader. Seniority must be taken into account. An Acting Point Leader will be paid a premium as outlined in Appendix “A”.

12.02 The seniority of an employee who is transferred to a position outside the Bargaining Unit shall be retained but not accrued for a period of six (6) months, after that all seniority will be lost.

12.03 Province-wide Transfers

Employees may submit a Letter of Preference, which will be kept on file with the Company for a period of one (1) year, which states the site to which the employee would like to transfer.

Whenever a position becomes vacant at any location and it is necessary to hire new staff, the Company will first consult the file containing Letters of Preference. Employees who have submitted a Letter of Preference for the applicable site will be considered ahead of external applicants for the available position(s). If two or more employees are considered equally qualified for this position, then seniority shall prevail.

If an employee is selected by the Company to fill a position outside his home site, the Company will not be responsible for any costs associated with the relocation. The employee may transfer

his Company seniority for vacation relief and placement upon the established pay grid for the site to which he is transferring, if the Collective Bargaining Agreement permits at that site, however, the seniority of the employee will move to the bottom of the list for the purposes of shift preferences.

12.04 Canada-wide Transfers

Employees may submit a Letter of Preference, which will be kept on file with the Company for a period of one (1) year, which states the site to which the employee would like to transfer.

12.05 For the above Articles, the Company will endeavor to notify the Union at least two (2) weeks prior to any advertisement to filling open and new positions.

ARTICLE 13 – LEAVE OF ABSENCE

13.01 The Company may grant a Leave of Absence without pay for a period not exceeding sixty (60) days to an employee provided that:

- (a) the employee gives notice in writing to the Management of his request for a Leave of Absence at least thirty (30) days prior to the proposed commencement of the Leave of Absence (except in the case of emergency); and,
- (b) in the judgment of the Company, the proposed Leave of Absence can be arranged without undue inconvenience to normal operations.

13.02 Applicants must indicate, on forms provided by the Company, the reason(s) for their decision, Leave of Absence and the expected dates of departure and return when giving notice of their request for a Leave of Absence.

13.03 The Company shall notify in writing both the applicant and the Union of its decision within fourteen (14) days after the request was made by the employee to the Company.

The Company has agreed that Leaves of Absence will be administered on the following basis:

1. Up to eight percent (8%) of the work force will be eligible to be on Leave of Absence at any given time.
2. Requests must be made in accordance with 13.01 (a).
3. Leaves of Absence shall be granted on the basis of seniority.
4. When returning from a Leave of Absence, the employee shall be placed on the same shift, which they left. The Company has thirty (30) days to place the employee back on their original shift.

ARTICLE 14 – BEREAVEMENT LEAVE

14.01 An employee who has been employed by the Company for three (3) consecutive months will be granted a Leave of Absence, with pay, during the four (4) days immediately following the day of

death of a Member of his immediate family. However, one (1) day will be reserved for the day of the funeral. If one (1) or more of the Leave days would have been the employee's regular scheduled work day(s), the employee will be paid for the day(s) at his regular basic hourly rate. "Immediate family" (as defined below).

If an employee is notified of a death in his/her immediate family while working, he/she shall be relieved from duty, upon the request of the employee. The employee may elect to be paid for the balance of his/her shift, in accordance with the provision entitlements above. "Immediate family" (as defined below).

The Company may grant an additional Leave of Absence of seven (7) days, or more, without pay, if the funeral occurs outside of a eight hundred (800) kilometer radius of the employee's normal work location and, in the judgment of the Company, such Leave of Absence can be arranged without undue inconvenience to normal operations. The Company may require proof of death or burial from individuals if they suspect abuse of these benefits.

Note: For further clarity, immediate family means, in respect of the employee:

- a) the employee's spouse or common-law partner;
- b) the employee's father and mother and the spouse or common-law partner of the father or mother;

- c) the employee's children and the children of the employee's spouse or common-law partner;
- d) the aunt and uncle of spouse and employee;
- e) the grandfather and the grandmother of the employee;
- f) the employee's grandchildren and the grandchildren of the employee's spouse or common-law partner;
- g) the father and mother of the spouse or common-law partner of the employee and the spouse or common-law partner of the father or mother;
- h) the brother and sister of the employee or the brother and sister of the spouse or common-law partner of an employee; and,
- i) any relative who resides permanently with the employee or with whom the employee permanently resides.

ARTICLE 15 - LEAVE OF ABSENCE FOR UNION BUSINESS

15.01 The Company may grant a Leave of Absence, without pay, to not more than three percent (3%) of employees, or five (5) employees, whichever is higher, to represent the Union at Union conventions, seminars and education classes provided the Company is given at least ten (10) days advance Notice in Writing by the Union and, in the judgment of the Company, such Leave of Absence can be arranged without undue inconvenience to normal operations.

15.02 The Company will grant a Leave of Absence, without pay, to not more than four (4) Members of the Grievance Committee for the purpose of preparing for arbitration under Article 7 or other Union business provided the Company is given at least five (5) days advance Notice in Writing by the Union.

15.03 The Company will grant a Leave of Absence, with pay, to Members of the Union's Negotiating Committee for the purposes set out in Article 5.01 (a) provided the Company is given, at least, five (5) days' advance notice, in writing, by the Union.

ARTICLE 16 – PARENTAL LEAVE

16.01 (a) Parental Leave shall be as per Canada Labour Code requirements.

(b) Adoption Leave as per the Canada Labour Code.

(c) Child Care Leave as per Canada Labour Code.

(d) One day off with pay during birth of child.

16.02 The employee shall give the Company four (4) weeks' notice, in writing, of the day upon which she intends to commence Leave and a certificate of a qualified medical practitioner stating that she is pregnant and the estimated date of her confinement.

16.03 An employee who does not apply for Leave, as set forth in Article 16.02, and who is otherwise entitled to Maternity Leave, shall be granted a Leave of Absence under Article 16.01, upon providing the Company with a certificate of a qualified medical practitioner, stating that she was not able to perform her work because of an unexpected medical condition directly attributable to pregnancy and the date of confinement.

16.04 Where an employee intends to resume her employment with the Company upon the expiration of the Leave granted, in accordance with the provisions of Article 16, the Company shall reinstate her to her former position within thirty (30) days and wages and benefits will remain the same.

ARTICLE 17 – HOURS OF WORK AND OVERTIME

17.01 Employees shall receive the maximum amount of scheduled hours up to forty (40) hours per week, based on seniority. Shift preferences will be based upon the employee's seniority in the case of posted open shifts bids. QUALIFICATIONS

The Company will allocate training opportunities to obtain CATSA Certification as a Point Lead based primarily on the skill, ability, experience, qualifications, and seniority of the employee concerned. Where the skill, ability, experience, and qualifications are relatively equal, seniority shall govern selection.

GENERAL QUALIFICATIONS

- Minimum of six months experience as a Screening Officer.
- Fully Transport Canada qualified.
- Completion of all pre-requisites in the CATSA SOPs to attend Point Lead Training.
- See Article 27.01.

METHOD OF SELECTION

- If a permanent or regular Acting Point Leader/Point Leader (if no other Point Leader is available) is on vacation, sick leave or Leave of Absence etc., the Company will upgrade a temporary Acting Point Leader for a period not to exceed one week. Following the one-week period, the upgraded position will be offered to the next senior person and so on through the list.
- If a permanent or regular Acting Point Leader/Point Leader (if no other Point Leader is available) books

- There will be one list per location (e.g. screening point) and agents' names will be placed in order of seniority. Whenever an Acting Point Leader is required at any location, the list will be consulted and agents chosen in general order of seniority. It is the intention to select an agent from the same screening point where the Acting Point Leader is required. However, Permanent Point Leads will be allowed to bid on such vacancies prior to Acting Point Leads.

- When a Permanent Point Lead is assigned to work in a lower paid classification, as a result of a loss of Certification, the Permanent Point Lead will be paid at the rate for the classification in which he or she is working but service hours worked in the Permanent Point Lead classification will count as service hours for the purposes of placing the Permanent Point Lead at the appropriate pay level within the classification in which he or she is working.

LETTER OF UNDERSTANDING #1

SHIFT GIVEAWAYS

The purpose of shift giveaways is to reduce absenteeism by allowing employees to handle unexpected situations or ones that conflict with their work schedule. Employees may give away shifts as long as they are not giving away their job.

Both employees must sign a shift giveaway form or must be in writing and signed by all parties involved to be considered valid, and submit to Management. Management will reply back in writing or on the shift giveaways form the following day to all parties considered.

The employee signing to work that shift is responsible for that shift.

The employee who covers a shift will be paid at the rate of straight time for such time worked. Example: Agent "A" works for Agent "B" during the first pay period of the month - RESULT – Agent "A" will receive eight (8) hours (or whatever regular scheduled hours Agent "B" has), additional straight-time pay on the next cheque that he receives.

The Company will not incur overtime unless the employee goes over the regular scheduled hours for that day, i.e. over eight (8) hour shift, ten (10) hour shift, etc.

No employee shall be eligible for a shift trade if they have worked, or will work, a shift of eight (8) hours before the trade shift, or after the trade shift.

Employees who are CTX certified and are scheduled to do CTX, can only give away shifts to other employees who are CTX certified.

If an employee fails to work the giveaway shift(s) only the employee who did not show up for work, will lose their shift exchange privileges for thirty (30) days.

LETTER OF UNDERSTANDING #3

STUDENT / CASUAL EMPLOYEES

The Company and the Union entered into this Agreement in an effort to accommodate those employees who are pursuing the continuance of their education or other personal situations but wish to maintain a casual working relationship with the Company.

Eligibility:

SCEs status is available to current full-time and part-time employees with six (6) months seniority. Everything else being equal, SCE status will be granted on a seniority basis.

Application for SCE must be provided by letter to the Senior Site Manager, Operations, thirty (30) days in advance of a shift bid. For the purposes of this LOU the base date which will be used to calculate the thirty (30) days will commence from the date of when the Company memo regarding SCE is put out on the floor.

The employee in the application letter must give:

- The reason to be on SCE status;
- Proper written documentation for the reason;
- Identify days of the week the SCE will be available to work, which must include weekends;
- Indication of preference for AM and/or PM shifts.

If an employee is going to school and he/she is not informed of their school schedule thirty (30) days in advance, then the employee must inform the Company at

that time their intention to be on SCE status in the application letter. The Company will also require a signed written confirmation from an authority figure within the school institution he/she is attending as to when the registration date is. The employee is to inform the Company, their school schedule the day after their registration date with the proper documentation from the same authority mentioned above. Failure to do so may lead to the employee losing SCE status and as a result will bid in the shift bid. If the shift bid has already occurred the employee can bid all available shifts at that time. If no shifts are available one will be assigned to them. The employee will not be eligible to "bump" other employees from their shift.

SCE status must be used for reasons indicated on the application letter or the employee may lost SCE status and may be subject to progressive discipline. If the SCE loses their SCE status the above mentioned process will be used to assign a shift.

Application letters for SCE received after the thirty (30) day deadline will be auctioned on a first come, first serve basis depending upon operational requirement and availability of SCE positions. The SCE positions will be limited to ninety (90) for the winter schedule and fifty (50) for the summer schedule. However, the Company and the Union may increase/decrease these SCE positions by mutual agreement.

SCE status is for the duration of the shift bid in which it has been awarded. However, if an SCE school schedule changes due to new semester then an SCE may submit a new schedule the day after the registration date. SCE must inform the Company of their new schedule as

outlined above and comply in accordance with the above mentioned process.

An SCE must be willing and able to provide the Company with sufficient availability to meet the intent of this letter. An SCE shall be expected to work a minimum of sixteen (16) hours per week which must include weekends. If a student is required to attend school on a weekend then the Company may elect to give that day which the student is attending school. If a casual employee requires a weekend off, then this will be evaluated on a case-by-case basis by the Company and the Union based on operational requirement. Written documents may be requested from casual employee(s) to support the employee to be on SCE status. A signed written confirmation from an authority figure within the school institution he/she is attending must be given to the Company, in order for the Company to consider giving that day off. An SCE who fails to work their assigned schedule will be subject to progressive discipline.

Special Requirement Shifts (HBS, NPS, etc.) are not eligible for consideration under this LOU.

Employee Status:

The terms of the Collective Agreement will apply unless modified herein.

Shift Arrangements:

The Company will endeavour to advise SCEs of their schedule by giving the employee one (1) week notice.

SCEs will not be allowed to bid on shift bids.

SCEs will be required to provide the Company with their availability to work additional hours during the peak time of the year (i.e., Christmas, Easter, etc.). The Company will not incur overtime unless the SCE goes over their regular scheduled hours for that day (i.e., over eight (8) hour shift, ten (10) hour shift, etc.).

It is understood that additional hours will be offered to SCEs in accordance with the procedures mentioned above prior to offering and awarding extra hours to regular full-time and part-time employees, with the exception of operational necessities. The Company will not incur overtime unless the SCE goes over their regular scheduled hours for the day (i.e., over eight (8) hour shift, ten (10) hour shift, etc.).

This agreement shall be in effect for the Term of the Collective Agreement. This LOU can be cancelled by mutual agreement.

The parties agree to meet the following ratification and prior to the development of the 2011 fall/winter shift schedule, to review the intent, application and administration of this Letter of Understanding, in order to address any concerns.

ADDITIONAL TERMS:

All outstanding grievances, previously referred to arbitration as of the date of ratification will be referred to mediation with a Federal Mediation & Conciliation Services (FMCS) Officer in the Pacific Region, to be heard within sixty (60) calendar days. In the event the parties are unable to reach agreement on the resolution of these matters with the assistance of the Conciliation Officer, arbitrations will be scheduled and commence within thirty (30) days. Remaining active grievances will continue to be processed through the normal provisions of the grievance procedure.

The parties further agree to participate in the Supervisor - Steward Joint Training Program, Preventive Mediation Program offered through Federal Mediation and Conciliation Service (FMCS).

The Parties agree that the language of the current collective agreement as amended herein will constitute a Memorandum of Agreement, which each bargaining committee agrees to recommend for ratification to their respective organizations.

All other proposals tabled by either party are hereby withdrawn on a without prejudice basis.
