Let's Make History

On Thursday April 17, 2014 a vote will be held for the offices of the International President and General Secretary Treasurer.

This is an historic event for the IAMAW and every one of us.

There has not been an election for these positions since 1964.

We encourage all of you to come out and vote in this historic election.

Let's show the Grand Lodge how we Canadians can play a big part in the democratic process of voting for our International President and Secretary Treasurer.

This opportunity may never come again in some of our lifetimes. Let your name go down in history.

In Solidarity,

Caterina Barone
Recording Secretary
