The Negotiation Committee met and discussed various parts of the existing collective agreement that have negatively impacted us as screeners.

The concerns and hardships caused by the day-to-day functions have been reviewed, discussed and re-written to be put forward in a proposal to the company. We will continue to receive face-to-face input from our fellow screeners in the lunchrooms and on the floor.

The IAMAW is continuing to work together with the Steel Workers in regards to our combined negotiations for other airports like Vancouver, Montreal, Ottawa and Halifax in achieving the best possible contracts for all screeners.

If you have any suggestions, please forward your input to the email below.

In Solidarity,

Barry Barnett - [bbarnett@iam140.ca](mailto:bbarnett@iam140.ca)
