Congratulations to all Screeners on their new CBA, which received an 82% in favour of the new agreement.

Here are a few items that Screeners have asked to have clarified.

- The addition of more arbitrators is to ensure an unbiased verdict when it comes to the arbitration procedure. and to have more options.

- Full time employees who want to become part time will **keep** their **seniority date**.

- Vacation** is now **Sunday to Saturday**. This ensures that screeners with seniority are able to pick the vacation days they want. This new process for vacation bid will not take place until the next vacation bid.

- Thursday, May 28, 2015, should have the new pay rate included in the pay.

- Full time screeners should be receiving \$800 and part time \$400 May 28, 2015. It will be on the same day as screeners regular pay but will be paid separately.

- Daily transfers** from terminal to terminal is now based off of **seniority**.

Screeners will soon be able to work a surplus of 40 hours per week by choice. The company will post more information when the system is ready.

If you still have questions please contact your T3/T1 rep.
