Your **Negotiations Committee** met with Garda December 11 to 15, 2017 in Toronto. Although these are the early stages of bargaining for a new collective agreement, we made it very clear to Garda that there will not be an agreement unless we address the **shift scheduling issues** and the introduction of a **part time cap** into the collective agreement.

Improvements in shifts for all **employees, wages, job security, and retirement benefits** must be addressed. Your committee is committed to achieving these improvements. Only with your solidarity and support can this be accomplished.

We have agreed to meet Garda again on 16<sup>th</sup> Jan, 2018, and will be in the workplace next week explaining what transpired and Garda's position on items that we have discussed.

Thank you again for your continued support.

**STAY STRONG WITH FIGHTING MACHINISTS!**

In solidarity,

**Barry Barnett**  
General Chairperson  
Central Region
