June 19, 2023

Dear Brothers and Sisters,

I wanted to inform you that the Company and the Union have reached an agreement to revert to a first come, first serve parking system. This change will take effect starting July 1, 2023.

We believe that this change will promote fairness amongst all members.

However, it is important to note that when the allotment of parking spots reaches capacity, it will not be possible for any member to access the parking facility.

Therefore, we kindly ask that you do not take a parking ticket independently to access the parking, as you will not be reimbursed for it.

We understand that this may cause some inconvenience for those who have become accustomed to the current system, but we believe that this change will ultimately benefit the majority of our members.

Additionally, we would like to clarify that the Collective Bargaining Agreement (CBA) does not provide any priority or preference regarding parking.

We appreciate your cooperation and understanding in this matter.

In solidarity,

Tayeb Lharti
General Chairperson
Central Region
