## **2023 OUTSTANDING SICK BANK GRIEVANCE**

Dear Sisters and Brothers,

Your Union was made aware that there was an issue with the sick bank payout on Thursday January 25, 2024. Your Union immediately filed a group grievance and demanded that individual sick banks immediately be paid out. Also, as part of the remedy, Your Union demanded one hundred (\$100) per member for hardship endured. We are very concerned about the companies behavior and disregard for our members finances.

Our members come to work to be paid, so they can provide for their families. They do not have the funds of a multi-billion dollar company.

The issue of pay cheque accuracy has been an ongoing issue and will be dealt with during this round of negotiations.

Your Union will keep you updated on the status of this payment and will fight to protect your rights.

Please reach out to any chief steward if you have any questions.

In Solidarity,

IAM Local Lodge 2921
